

**IN THE CIRCUIT COURT OF CALHOUN COUNTY, ALABAMA**

IN RE AOD FEDERAL CREDIT UNION  
DATA BREACH LITIGATION,

Case No. 11-CV-2025-900178

---

**SETTLEMENT AGREEMENT**

This Settlement Agreement<sup>1</sup> is entered into between Plaintiffs, individually, and on behalf of the Settlement Class and Defendant. The Parties hereby agree to the following terms in full settlement of the Action, subject to a Final Approval Order entered by the Court.

**I. Procedural History**

1. Headquartered in Bynum, Alabama, Defendant is a federal credit union that provides financial services to its members, including checking, savings, credit card, and lending services.

2. Defendant's customers provided it with some combination of their Private Information.

3. Between August 8, 2024, and August 9, 2024, AOD suffered a Data Incident in which AOD detected unauthorized access to its network. The Data Incident impacted approximately 70,000 individuals.

4. Commencing on March 27, 2025, Defendant began notifying the impacted individuals that their Private Information may have been impacted in the Data Incident.

5. Beginning on April 1, 2025, seven (7) putative class action complaints were filed against AOD stemming from the Data Incident. On June 30, 2025, the Court granted Plaintiffs' Motion to Consolidate and Appoint Interim Co-Lead Class Counsel. On August 14, 2025, Plaintiffs

<sup>1</sup> All capitalized terms herein shall have the same meanings as those defined in Section II below.

filed a Consolidated Class Action Complaint, seeking to represent all individuals potentially impacted by and harmed as a result of the Data Incident.

6. Shortly thereafter, the Parties began exploring early resolution.

7. Plaintiffs requested, and Defendant provided, discovery including information related to, among other things, the nature and cause of the Data Incident, the number and geographic location of individuals impacted by the Data Incident, and the specific type of information potentially accessed.

8. The Parties' counsel, who are experienced in class actions and specifically data breach litigation, discussed the terms of a classwide settlement over the course of several months. The negotiations were arms-length and hard fought.

9. The Parties now agree to settle the Action entirely, without any admission by the Defendant of liability or wrongdoing, with respect to all Released Claims of the Releasing Parties. Defendant has entered into this Agreement to resolve all controversies and disputes arising out of or relating to the allegations made in the Complaint and the Data Incident as it relates to it, and to avoid the litigation costs and expenses, distractions, burden, expense, and disruption to its business operations associated with further litigation. Defendant does not in any way acknowledge, admit to, or concede any of the allegations made in the Complaint, and expressly disclaims and denies any fault or liability, or any charges of wrongdoing that have been or could have been asserted in the Complaint. Nothing contained in this Agreement shall be used or construed as an admission of liability, and this Agreement shall not be offered or received in evidence in any action or proceeding in any court or other forum as an admission or concession of liability or wrongdoing of any nature or for any other purpose other than to enforce the terms of this Agreement. Plaintiffs enter into this Agreement to recover on the claims asserted in the Complaint, and to avoid the risk,

delay, and uncertainty of continued litigation. Plaintiffs do not in any way concede that the claims alleged in the Complaint lack merit or are subject to any defenses. The Parties intend this Agreement to bind Plaintiffs, Defendant, and all Settlement Class Members.

**NOW, THEREFORE**, in light of the foregoing, for good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, the Parties agree, subject to approval by the Court, as follows.

63. In the Motion for Preliminary Approval and Motion for Final Approval, Plaintiffs shall propose and request to the Court that the Settlement Class be certified for Settlement purposes only. Plaintiffs and Class Counsel shall not reference this Agreement or any related discussions in support of any subsequent motion for class certification of any class in the Action.

**V. Settlement Class Member Benefits**

64. When submitting a Valid Claim, Settlement Class Members may choose either Cash Payment A – Documented Losses or Cash Payment B – Alternate Cash. Settlement Class Members may also elect to receive Credit Monitoring. All Cash Payments will be subject to a *pro rata* (a) increase from the Net Settlement Fund if the amount of Valid Claims are insufficient to exhaust the entire Net Settlement Fund, or (b) decrease from the Net Settlement Fund if the amount of Valid Claims exhausts the amount of the Net Settlement Fund. For purposes of calculating the *pro rata* increase or decrease, the Settlement Administrator must distribute the funds in the Net Settlement Fund, after payment of Settlement Administration Costs, any Attorneys' Fees, Costs, and Service Awards as approved by the Court, in the following order: (1) Credit Monitoring, (2) Cash Payment A – Documented Losses, and (3) Cash Payment B – Alternate Cash. Any *pro rata*

increases or decreases to Cash Payments will be on an equal percentage basis. If a Settlement Class Member does not timely submit a Valid Claim, the Settlement Class Member will release his or her claims without receiving a Settlement Class Member Benefit.

a. **Cash Payment A – Documented Losses**

Settlement Class Members may submit a claim for a Cash Payment under this section for up to \$5,000.00 per Settlement Class Member upon presentment of reasonable documented losses resulting from fraud and/or identity theft fairly traceable to the Data Incident. To receive a documented loss payment, a Settlement Class Member must elect Cash Payment A on the Claim Form attesting under penalty of perjury to incurring documented losses resulting from fraud and/or identity theft. Settlement Class Members will be required to submit reasonable documentation supporting the losses, which means documentation contemporaneously generated or prepared by a third party supporting a claim for expenses paid. Non-exhaustive examples of reasonable documentation include receipts, bills, invoices, telephone records, and correspondence. Except as expressly provided herein, personal certifications, declarations, or affidavits from the Settlement Class Member do not constitute reasonable documentation but may be included to provide clarification, context, or support for other submitted reasonable documentation. Settlement Class Members shall not be reimbursed for expenses if they have been reimbursed for the same expenses by another source, including compensation provided in connection with the credit monitoring and identity theft protection product offered as part of the notification letter provided by Defendant or otherwise. If a Settlement Class Member does not submit reasonable documentation supporting a loss, or if their Claim is rejected by the Settlement Administrator for any reason, and the Settlement Class Member fails to cure his or her Claim, the Claim will be rejected and the Settlement Class Member's Claim will be converted to a Cash Payment B – Alternative Cash.

**b. Cash Payment B – Alternate Cash**

As an alternative to Cash Payment A – Documented Losses above, Settlement Class Members may elect to receive Cash Payment B – Alternate Cash, which is a cash payment in the estimated amount of \$75.00. This value may be increased or decreased based on the number of Valid Claims received.

**c. Credit Monitoring**

In addition to a Cash Payment, all Settlement Class Members will be entitled to elect two years of credit monitoring services from one bureau.

**VI. Settlement Approval**

65. Plaintiffs' Motion for Preliminary Approval shall, among other things, request the Court: (1) preliminarily approve the terms of the Settlement as being within the range of fair, adequate, and reasonable; (2) provisionally certify the Settlement Class for settlement purposes only; (3) approve the Notice Program and the form and content of the Notices; (4) approve the Claim Process and the form and content of the Claim Form; (5) approve the procedures for Settlement Class Members to opt-out of the Settlement or for Settlement Class Members to object to the Settlement; (6) appoint Epiq as the Settlement Administrator; (7) appoint Plaintiffs as Class Representatives and Mariya Weekes, Jonathan S. By way of example, a reasonable tracing procedure would be to run addresses of returned postcards through the Lexis/Nexis database that can be utilized for such purpose. To the extent better addresses are found, the Settlement Administrator should attempt to re-mail the Postcard Notice.

77. The Notice Program shall be completed in its entirety no later than 45 days before the initial scheduled Final Approval Hearing.

**IX. Claim Process and Disbursement of Cash Payments**

78. The Notice and the Settlement Website will explain to Settlement Class Members that they may be entitled to a Settlement Class Member Benefit and how to submit a Claim Form.

79. Claim Forms may be submitted online through the Settlement Website or through U.S. Mail by sending them to the Settlement Administrator at the address designated on the Claim Form. Claim Forms must be submitted online or postmarked by the Claim Form Deadline.

80. The Settlement Administrator shall collect, review, and address each Claim Form received to determine whether the Claim Form meets the requirements set forth in this Settlement and is thus a Valid Claim. The Settlement Administrator shall examine the Claim Form before designating the Claim as a Valid Claim to determine that the information on the Claim Form is reasonably complete. The Settlement Administrator shall have the sole authority to determine whether a Claim by any Claimant is a Valid Claim.

81. The Settlement Administrator shall use all reasonable efforts and means to identify and reject duplicate claims. No Settlement Class Member may submit more than one Claim Form. The Settlement Administrator shall identify any Claim Forms that appear to seek relief on behalf of the same Settlement Class member. The Settlement Administrator shall use its best efforts to determine whether there is any duplication of Claims, and if there is, contact the Settlement Class Member in an effort to determine which Claim Form is the appropriate one for consideration.

82. The Settlement Administrator shall exercise, in its discretion, all usual and customary steps to prevent fraud and abuse and take any reasonable steps to prevent fraud and abuse in the Claim Process. The Settlement Administrator may, in its discretion, deny in whole or in part any Claim Form to prevent actual or possible fraud or abuse. By agreement, the Parties can instruct the Settlement Administrator to take whatever steps it deems appropriate if the Settlement Administrator identifies actual or possible fraud or abuse relating to the submission of Claims,

including, but not limited to, denying in whole or in part any Claim to prevent actual or possible fraud or abuse. If any fraud is detected or reasonably suspected, the Settlement Administrator and Parties may require information from Claimants or deny Claims, subject to the supervision of the Parties and ultimate oversight by the Court.

83. Claim Forms that do not meet the terms and conditions of this Settlement shall be promptly rejected by the Settlement Administrator and the Settlement Administrator shall advise the Settlement Class member of the reason(s) why the Claim Form was rejected. However, if the Claim Form is rejected for containing incomplete or inaccurate information, and/or omitting required information, the Settlement Administrator may send a Notice of Deficiency explaining what information is missing or inaccurate and needed to validate the Claim and have it submitted for consideration. The Settlement Administrator shall notify the Settlement Class Member using the contact information provided in the Claim Form. The additional information and/or documentation can include, for example, answers to questions regarding the validity of the physical or e-signature. A Settlement Class Member shall have until the Claim Form Deadline, or 15 days after the date the Notice of Deficiency is sent via mail and postmarked or via email, whichever is later, to reply to the Notice of Deficiency and provide the required information. If the Settlement Class Member timely and adequately provides the requested information and/or documentation, the Claim shall be deemed a Valid Claim and processed by the Settlement Administrator. If the Settlement Class Member does not timely and completely provide the requested information and/or documentation, the Settlement Administrator shall reduce or deny the Claim unless Defendant and Class Counsel otherwise agree.

84. Where a good faith basis exists, the Settlement Administrator may reduce or reject a Claim for, among other reasons, the following:

- a. Failure to fully complete and/or sign the Claim Form;
- b. Illegible Claim Form;
- c. The Claim Form is fraudulent;
- d. The Claim Form is duplicative of another Claim Form;
- e. The Claimant is not a Settlement Class Member;
- f. The Claimant submitted a timely and valid request to opt-out of the Settlement Class;
- g. The person submitting the Claim Form requests that payment be made to a person or entity other than the Claimant for whom the Claim Form is submitted;
- h. Failure to submit a Claim Form by the Claim Form Deadline; and/or
- i. The Claim Form otherwise does not comply with the requirements of this Settlement.

85. The Settlement Administrator's reduction or denial of a Claim is final, subject to the following dispute resolution procedures:

- a. The Settlement Administrator shall have 30 days from the Claim Form Deadline to approve or reject Claims based on findings of fraud or duplication;
- b. A request for additional information by sending a Notice of Deficiency shall not be considered a denial for purposes of this paragraph;
- c. If a Claim is rejected for fraud or duplication, the Settlement Administrator shall notify the Claimant using the contact information provided in the Claim Form. Class Counsel and Defendant's Counsel shall be provided with copies of all such notifications to Claimants; and
- d. The Settlement Administrator's determination as to whether to approve, deny, or reduce a Claim shall be final and binding.

86. The Settlement Administrator shall provide all information gathered in investigating Claims, including, but not limited to, copies of all correspondence and email and all notes of the Settlement Administrator, the decision reached, and all reasons supporting the decision, if requested by Class Counsel or Defendant's Counsel. Additionally, Class Counsel and Defendant's Counsel shall have the right to inspect the Claim Forms and supporting documentation received by the Settlement Administrator at any time upon reasonable notice.

87. No person or entity shall have any claim against Defendant, Defendant's Counsel, Plaintiffs, the Settlement Class, Class Counsel, and/or the Settlement Administrator based on any eligibility determinations, distributions, or awards made in accordance with this Settlement.

88. No later than 30 days after the Effective Date or completion of the Settlement Administrator's validity review, whichever is later, the Settlement Administrator shall distribute the Settlement Class Member Benefits.

89. Cash Payments to Settlement Class Members will be made by electronic payment or by paper check. Settlement Class Members will choose their form of payment on their Claim Form. In the event a Settlement Class Member does not make an election or there is a problem with issuance of an electronic payment, a paper check will be sent to the Settlement Class Member's last known address. Paper checks must be negotiated within 90 days of issuance. In the event the Settlement Administrator is unable to distribute funds to the Settlement Class Members entitled to receive them due to incorrect or incomplete information provided to the Settlement Administrator, the funds shall become residual funds, and such Settlement Class Members shall forfeit their entitlement right to the funds. Settlement Class Members who do not timely cash their checks will be considered as having waived any right to a cash payment under the Settlement Agreement.

90. In the event there are funds remaining in the Settlement Fund 120 days following the date Cash Payments are issued, said funds attributable to unclaimed and undeliverable funds shall be treated as residual funds as described in Section XII.

91. The Settlement Administrator will send an email to Settlement Class Members with Valid Claims that include an election for Credit Monitoring with information on how to enroll in the Credit Monitoring, including the activation code.

**X. Final Approval Order and Final Judgment**

92. Plaintiffs shall file their Motion for Final Approval of the Settlement, inclusive of the Application for Attorneys' Fees, Costs, and Service Awards, no later than 45 days before the initial scheduled Final Approval Hearing. At the Final Approval Hearing, the Court will hear argument on Plaintiffs' Motion for Final Approval of the Settlement and Application for Attorneys' Fees, Costs, and Service Awards. In the Court's discretion, the Court will also hear argument at the Final Approval Hearing from any Settlement Class Members (or their counsel) who object to the Settlement and/or to the Application for Attorneys' Fees, Costs, and Service Awards, provided the objectors submitted timely objections that meet all requirements listed in this Agreement.

93. At or following the Final Approval Hearing, the Court will determine whether to enter the Final Approval Order and final judgment thereon, and whether to grant the Application for Attorneys' Fees, Costs, and Service Awards. Such proposed Final Approval Order shall, among other things:

- a. Determine that the Settlement is fair, adequate and reasonable;
- b. Finally certify the Settlement Class for settlement purposes only;
- c. Determine the completed Notice Program satisfies Due Process requirements;

d. Bar and enjoin all Releasing Parties from asserting or otherwise pursuing any of the Released Claims at any time and in any jurisdiction, including during any appeal from the Final Approval Order; and retain jurisdiction over the enforcement of the Court's injunctions;

e. Release Defendant and the Released Parties from the Released Claims, as specified in Section XIII below; and

f. Reserve the Court's continuing and exclusive jurisdiction over the Parties to this Agreement, including Defendant, Plaintiffs, all Settlement Class Members, and all objectors, to administer, supervise, construe, and enforce this Agreement in accordance with its terms.

**XI. Service Awards, Attorneys' Fees and Costs**

94. *Service Awards* – In recognition of the time and effort the Class Representatives expended in pursuing this Action and in fulfilling their obligations and responsibilities as Class Representatives, and of the relief conferred on all Settlement Class Members by the Settlement, Class Counsel shall request Service Awards for the Class Representatives in an amount not to exceed \$2,500.00 each. If approved, the Service Awards shall be paid by the Settlement Administrator out of the Settlement Fund within 10 days of the Effective Date. The Service Awards to the Class Representatives shall be separate and apart from their entitlement to Settlement Class Member Benefits.

95. *Attorneys' Fees and Costs* - Class Counsel shall apply to the Court for an award of attorneys' fees not to exceed \$250,000.00, plus reimbursement of reasonable costs. The attorneys' fees and costs approved by the Court shall be paid by the Settlement Administrator out of the Settlement Fund by wire transfer to an account designated by Class Counsel within 14 days of the Effective Date. Class Counsel shall be responsible for allocating and distributing attorneys' fees

among all Plaintiffs' counsel.

96. This Settlement is not contingent on approval of the request for attorneys' fees and costs or Service Awards, and if the Court denies the request or grants amounts less than what was requested, the remaining provisions of the Agreement shall remain in force. The provisions for attorneys' fees and costs and Service Awards were not negotiated until after all material terms of the Settlement.

## **XII. Disposition of Residual Funds**

97. In the event there are funds remaining in the Settlement Fund 120 days following the date following the date Cash Payments are issued to Settlement Class Members, any residual shall be distributed to a Cy Pres recipient to be mutually agreed upon by Class Counsel and Defendant's Counsel, to be approved by the Court.

## **XIII. Releases**

98. Upon the Effective Date, and in consideration of the Settlement relief and other consideration described herein, the Releasing Parties shall be deemed to have, and by operation of the Final Approval Order shall have, fully, finally, and irrevocably released, acquitted, relinquished, and forever discharged Defendant and the Released Parties from any and all Released Claims, and shall be forever barred from instituting, maintaining or prosecuting any and all liabilities, rights, claims, actions, causes of actions, demands, damages, costs, attorneys' fees, losses, and remedies, whether known or unknown, asserted or unasserted, existing or potential, suspected or unsuspected, liquidated, legal, statutory, or equitable, based on contract, tort, or any other theory whether on behalf of themselves or others, that result from, arise out of, are based upon, or related to the Data Incident that the Releasing Parties may have or had.

99. Each Party expressly waives state law or common law claims arising out of or

relating to the Data Incident that the Releasing Parties may have or had, such as under California's Consumer Privacy Act, California Civil Code section 1798.100, *et seq.* and/or California's Unfair Competition Law, California Civil Code section 17200, *et seq.* Each Party expressly waives all rights under California Civil Code section 1542, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

The Releasing Parties also waive the provisions and rights of any law(s) that are comparable in effect to California Civil Code section 1542 (including, without limitation, California Civil Code § 1798.80, *et seq.*, Montana Code Ann. § 28- 1-1602; North Dakota Cent. Code § 9-13-02; and South Dakota Codified Laws § 20-7-11). The Releasing Parties agree that, once this Agreement is executed, they will not, directly or indirectly, individually or in concert with another, maintain, cause to be maintained, or voluntarily assist in maintaining any further demand, action, claim, lawsuit, arbitration, or similar proceeding, in any capacity whatsoever, against any of the Released Parties based on any of the Released Claims.

100. Settlement Class Members who opt-out of the Settlement on or before the Opt-Out Deadline do not release their claims arising out of related to the Data Incident and will not obtain any of the Settlement Class Member Benefits under the Settlement.

101. Upon the Effective Date: (a) this Settlement shall be the exclusive remedy for any and all Released Claims of Plaintiffs and Settlement Class Members; and (b) Plaintiffs and Settlement Class Members stipulate to be and shall be permanently barred and enjoined by Court order from initiating, asserting, or prosecuting all Released Claims, whether on behalf of Plaintiffs,

any Settlement Class Member or others, in any jurisdiction, including in any federal, state, or local court or tribunal.

102. The power to enforce any term of this Settlement is not affected by the releases in this section.

#### **XIV. Termination of Settlement**

103. This Agreement shall be subject to and is expressly conditioned on the occurrence of all of the following events:

- a. Court approval of the Settlement consideration set forth in Section V and the Releases set forth in Section XIII of this Agreement;
- b. The Court has entered the Preliminary Approval Order;
- c. The Court has entered the Final Approval Order, and all objections, if any, are overruled, and all appeals taken from the Final Approval Order are resolved in favor of Final Approval; and
- d. The Effective Date has occurred.

104. If any of the conditions specified in the preceding paragraph are not met, or if the Court otherwise imposes any modification to or condition of approval of the Settlement to which the Parties do not consent, then this Agreement shall be cancelled and terminated.

105. In the event that more than 75 Settlement Class Members exercise their right to opt-out of the Settlement Class, Defendant shall have the option to terminate this Agreement. Defendant shall notify Class Counsel and the Court of its intention to terminate this Agreement pursuant to this paragraph within 10 days after the Opt-Out Deadline, or the option to terminate shall be considered waived.

106. In the event this Agreement is terminated or fails to become effective, then the

Parties shall return to the *status quo ante* in the Action as if the Parties had not entered into this Agreement, and the Parties shall jointly file a status report in the Court seeking to reopen the Action and all papers filed. In such event, the terms and provisions of this Agreement shall have no further force and effect with respect to the Parties and shall not be used in this Action or in any other action or proceeding for any other purpose, and any order entered by this Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*.

107. In the event this Agreement is terminated or fails to become effective, all funds in the Settlement Fund shall be promptly returned to Defendant as described hereinabove. However, Defendant shall have no right to seek from Plaintiffs, Class Counsel, or the Settlement Administrator the Settlement Administration Costs paid or incurred.

**XV. Effect of Termination**

108. The grounds upon which this Agreement may be terminated are set forth in Section XIV. In the event of a termination, this Agreement shall be considered null and void; all of Plaintiffs', Class Counsel's, Defendant's, and Defendant's Counsel's obligations under the Settlement shall cease to be of any force and effect; and the Parties shall return to the *status quo ante* in the Action as if the Parties had not entered into this Agreement. In addition, in the event of such a termination, the Parties' respective pre-Settlement rights, claims, and defenses will be retained and preserved.

109. In the event the Settlement is terminated in accordance with the provisions of this Agreement, any discussions, offers, or negotiations associated with this Settlement shall not be discoverable or offered into evidence or used in the Action or any other action or proceeding for any purpose. In such event, all Parties to the Action shall stand in the same position as if this Agreement had not been negotiated, made, or filed with the Court.

**XVI. No Admission of Liability**

110. This Agreement reflects the Parties' compromise and settlement of disputed claims. This Agreement shall not be construed as or deemed to be evidence of an admission or concession of any point of fact or law. Defendant maintains that Plaintiffs' claims do not have merit and has denied and continues to deny each of the claims and contentions alleged in the Complaint. Defendant denies all liability and all allegations of wrongdoing of any kind. Defendant specifically denies that a class could or should be certified in the Action for litigation purposes. Defendant has agreed to enter into this Agreement to avoid the further expense, inconvenience, and distraction of burdensome and protracted litigation, and to be completely free of any further claims that were asserted or could possibly have been asserted in the Action.

111. Class Counsel believe the claims asserted in the Action have merit, and they have examined and considered the benefits to be obtained under the proposed Settlement set forth in this Agreement, the risks associated with the continued prosecution of this complex, costly, and time-consuming litigation, and the likelihood of success on the merits of the Action. Class Counsel fully investigated the facts and law relevant to the merits of the claims, conducted discovery, and conducted independent investigation of the alleged claims. Class Counsel concluded that the proposed Settlement set forth in this Agreement is fair, adequate, reasonable, and in the best interests of the Settlement Class.

112. This Agreement constitutes a compromise and settlement of disputed claims. No action taken by the Parties in connection with the negotiations of this Agreement shall be deemed or construed to be an admission of the truth or falsity of any claims or defenses heretofore made, or an acknowledgment or admission by any party of any fault, liability, or wrongdoing of any kind whatsoever.

113. Neither the Settlement, nor any act performed or document executed pursuant to or in furtherance of the Settlement: (a) is or may be deemed to be, or may be used as, an admission of, or evidence of, the validity of any claim made by the Plaintiffs or Settlement Class Members, or of any wrongdoing or liability of the Released Parties; or (b) is or may be deemed to be, or may be used as, an admission of, or evidence of, any fault or omission of any of the Released Parties, in the Action or in any proceeding in any court, administrative agency, or other tribunal.

114. In addition to any other defenses Defendant or the Released Parties may have at law, in equity, or otherwise, to the extent permitted by law, this Agreement may be pleaded as a full and complete defense to and may be used as the basis for an injunction against, any action, suit, or other proceeding that may be instituted, prosecuted, or attempted in breach of this Agreement or the Releases contained herein.

## **XVII. Miscellaneous Provisions**

115. *Confidentiality.* To the extent permitted by ethics rules, the Parties and their counsel shall keep confidential all settlement communications, including communications regarding the negotiation and drafting of this Agreement. This paragraph shall not be construed to limit or impede the Notice requirements contained in this Agreement, nor shall this paragraph be construed to prevent Class Counsel or Defendant's Counsel from notifying or explaining that the Action has settled or limit the representations that the Parties or their counsel may make to the Court to assist in the Court's evaluation of the Settlement, Preliminary Approval, Final Approval, and any objection to the Settlement's terms. Defendant may also provide information about the Agreement to its attorneys, members, partners, insurers, brokers, agents, and other persons or entities as required by securities laws, other applicable laws and regulations, and as necessary to affect the Settlement.

120. ***Integration and No Reliance.*** This Agreement constitutes a single, integrated written contract expressing the entire agreement of the Parties relative to the subject matter hereof. This Agreement is executed without reliance on any covenant, agreement, representation, or warranty by any Party or any Party's representative other than those expressly set forth in this Agreement. No covenants, agreements, representations, or warranties of any kind whatsoever have been made by any Party hereto, except as provided for herein.

125. **Jurisdiction.** The Court shall retain jurisdiction over the implementation, enforcement, and performance of this Agreement, and shall have exclusive jurisdiction over any suit, action, proceeding, or dispute arising out of or relating to this Agreement that cannot be resolved by negotiation and agreement by counsel for the Parties. The Court shall also retain jurisdiction over all questions and/or disputes related to the Notice Program and the Settlement Administrator. As part of the agreement to render services in connection with this Settlement, the Settlement Administrator shall consent to the jurisdiction of the Court for this purpose. The Court shall retain jurisdiction over the enforcement of the Court's injunction barring and enjoining all Releasing Parties from asserting any of the Released Claims and from pursuing any Released Claims against the Released Parties at any time and in any jurisdiction, including during any appeal from the Final Approval Order.

128. ***No Waiver.*** The waiver by any Party of any breach of this Agreement by another Party shall not be deemed or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, of this Agreement.

All Parties recognize and acknowledge they reviewed and analyzed data that they and their experts used to make certain determinations, arguments, and settlement positions. The Parties agree this Settlement is fair, reasonable, and adequate, and will not attempt to renegotiate or otherwise void or invalidate or terminate the Settlement irrespective of what any unexamined data later shows. It is the Parties' intention to resolve their disputes in connection with this Action pursuant to the terms of this Agreement now and thus, in furtherance of their intentions, the Agreement shall remain in full force and effect notwithstanding the discovery of any additional facts or law, or changes in law, and this Agreement shall not be subject to rescission or modification by reason of any changes or differences in facts or law, subsequently occurring or otherwise.
